Miles,

My apologies, but life has spun out of control (as I'm sure you can tell by my schedule). Some new information has come to my attention with this case and I have also been dealing with health issues and server/email failure. Is it possible for me to have an extension on the deadline for the response and brief in opposition for your summary judgment motion so that I can both deal with the new information and present a proper response to your motion? If so, I would greatly appreciate it.

Please let me know as soon as possible.

Thank you,
Anne
